

TEAM SPONSORSHIP 2025

BE A PART OF IT

Our Division 1 (U12-Waratahs) and Junior Development Squads (U8-U11) are formed of players who are dedicated and highly skilled.

These players were required to trial and have been selected by our experienced GPFC coaches and will be coached throughout the season by club selected coaches who are all proud to be supporting their local club and community by dedicating time and effort into promoting team work, improved skills and results.

Division 1 teams from U13 up have the opportunity to represent GPFC in the FNSW State Cup and if they win their competition, they then go on to participate in Champion of Champions. Teams from U12 up also have the chance to participate in Nepean Cup.
